Posting of Telecom Officials in Kashmir

1549. SHRI SHIV PRATAP MISHRA : Will the Minister of COMMUNICATIONS be pleased to state :

(a) whether a number of telecommunications officials posted in Kashmir, who had become marked men there and had been stationed in Delhi have been coerced to go back to Kashmir ;

(b) if so, what are the reasons therefor;

(c) whether any steps have been taken for their safety; if so, what are the details thereof ; and

(d) if not, what are the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI JANESHWAR MISHRA) : (a) and (b) No, Sir. However, 190 Telecom. officials who had migrated out of Kashmir Valley and were camping in Delhi were temporarily accommodated in other places in the country as requested by them. The Telecom. Department had no information if any of them were marked persons.

As per the latest decision of the Government all such officials are required to report back to their posts in Kashmir Valley and orders accordingly have been issued by the Department on 7-5-1990.

The orders have been issued purely as an administrative measure. There is no element of coercion in it.

(c) Yes, Sir. The following steps have been taken for the safety of Telecom. staff working in Kashmir Valley :

—All major Telecom. installations are being guarded.

—Arrangements have been made for the Telecom. staff who wanted to be lodged in secure places.

—Transport with guard is being provided for reaching the place of work wherever necessary.

(d) Question does not arise in view of (c) above.

Banning of Anand Marg

1550. SHRI SHIV PRATAP MISHRA : Will the Minister of HOME AFFAIRS be pleased to state :

(a) whether Government propose to ban Anand Marg ; and

(b) if so, the details of the proposal?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI SUBODH KANT SAHAY) : (a) There is no such proposal before the Government.

(b) Does not arise.

Setting up of passenger amenities centres on national highways

1551. SHRI ASHOK NATH VERMA : Will the Minister of SURFACE TRANSPORT be pleased to state :

(a) what are the details of sites which have been earmarked for setting up of 'passenger amenities' on National Highways in the country State-wise/Union Territory-wise;

(b) whether Government have received proposals from private parties for setting up of such passenger amenities centres; if so, the names and addresses of such parties and the details of their proposals, party-wise and site allocated, if any, so far;

(c) whether Government would extend the date for the receipt of proposals for such sites for which proposals have not been received ; and

(d) if so, what are the names of such sites referred in part (c) above State-wise?

THE MINISTER OF SURFACE TRANSPORT (SHRI K.P. UNNIKRISHNAN) : (a) Presumably the Honb'le Member is referring to the continuing scheme advertised by this Ministry in *September, 1989,* inviting offers from private parties for passenger-oriented wayside amienities along National Highways where facilities of parking lots, eating places, toilets, drinking water, telephone booths, first-aid, petrol pump/minor repairs/ spare parts shop and rest areas are to be provided. It is proposed to encourage the creation of such facilities at intervals of about 100 Kms. along high traffic-density corridors of National Highways where these do not exist at present. The State-wise list showing potential NH corridors for location of such facilities is enclosed. (Statement-I)

(b) Till date thirty-eight parties have applied under the continuing scheme advertised in September, 1989 (List enclosed at Statement-II) Letter of intent has been issued to one party (shown against Sl. No. 6).

(c) This is a continuing scheme and there is no last date for the receipt of offers. The offers received are considered on 'first-come-first served basis'.

(d) Does not arise.
